### TBM Team Member Plus at Cineworld Cinemas (June 2018- November 2018)

I am a Team Member plus for Cineworld. This new role allowed me to be more flexible and to work well in a team without the pressure that comes from being a team leader. Allowed me to continue and improve on my dealing with customers with the inside knowledge I have obtained.

### Team Leader/Supervisor at Cineworld Cinemas (November 2017- June 2018)

I was a Team Leader for Cineworld Cinemas. This role challenged me in a lot of ways . I able to look at the retail sector differently from a more business stand point. For me customer interaction was and still is a focal point and a reason why I enjoyed the job . From a team leader I have dealt with many customer complaints. I have dealt with perhaps difficult scenarios such as screen breakdowns and making sure we have enough stock during busy walk ins. I have been there to motivate the team and in charge of the floor making sure everything runs as smoothly as possible.

### Team Member at Empire Cinemas (June 2016- November 2017)

I was a team member for Empire Cinemas. I really enjoyed working for empire. This job gave me the skills of working under pressure and performing in a busy environment. Empire really cared about its incentives and giving customers and staff rewards such as film merchandise. This created a happy environment to work in.

### Team Member at Burger King (April 2016- June 2016)

I was a team member for Burger King. Working at a fast food restaurant. I learnt about time management and pacing. As the job was demanding working under such time and pressure became easier.

### Voluntary Work (Summer 2015 ,2016)

My early voluntary work was providing help and support teaching Drama club Every Thursday once a week to 13-16 year olds at my old school .It had been an enjoyment Working with them providing them with knowledge and understanding of the performing arts. Volunteering to do this allowed me to show and improve my management and people skills . Next I helped direct and guide people in an outdoor play with the Durlston ranger crew in Swanage making sure outdoor play

ran smoothly with aid from burn the curtain theatre company. I then helped run fun fair bungee trampolining for children. This role I was in charge of handling money so became an important skill.
